

Career Research - Step 6 - Deciding on Information to Focus on in Research - Class Topic Ballot

On the chart below,

- Check the information you believe we should include.
- Indicate whether that information should be included on the poster, in the speech, or in both.

Under Careers tab, on Career Cruising -		
Poster?	Speech?	Ideas to include
	★	Job Description Summary
★		To conclude Job Description - <ul style="list-style-type: none"> • Core Tasks - List (on “At-A-Glance” page) • Attributes and Abilities - List (on “At-A-Glance” page)
	★	Working Conditions Summary
★	★	Sample Career Path and Earnings For each level, note the following <ul style="list-style-type: none"> • Responsibilities • Requirements • Earnings
Only Training or college degree required	★	Education <ul style="list-style-type: none"> • High school courses recommended to prepare • Training or College degree required • Any tests for certification or license that have to be taken
	★	Related College Programs and Related Careers <ul style="list-style-type: none"> • Note at least two related programs you could switch to without losing credit for the classes you have taken <ul style="list-style-type: none"> ○ For each related college program - note related career you would be interested
★	★	Other Resources - Occupational Outlook Handbook Link - http://www.bls.gov/ooh/ (Usually the last link in the list) <ul style="list-style-type: none"> • Job Outlook 2016 - 2026 <ul style="list-style-type: none"> ○ Is the number of jobs in this career growing at an average rate or above or below the average rate? What percentage?
	★	Other Resources - Website of a Professional Organization for people with Your Career <ul style="list-style-type: none"> • Name the association • Tell one helpful thing you found on the website: <ul style="list-style-type: none"> ○ For example, the American Nursing association had a page on 4 healthcare trends that would affect nurses: a nursing shortage is predicted, nurses will collaborate more with other health professionals, nurses will use more technology in their job, and there will be more jobs for nurses outside hospitals.
	★	Interviews <ul style="list-style-type: none"> • Dislikes described by two different people in their interview
		Job Search <ul style="list-style-type: none"> • Two jobs in Michigan that were posted that interested you

Under Education tab, on Career Cruising -

Poster?	Speech?	Ideas to include
	On a slide 	<p>Where to get necessary education</p> <ul style="list-style-type: none"> List three schools in Michigan <p>Instructions</p> <ul style="list-style-type: none"> Click on Majors tab Type in your career Check the level of education necessary for your career that you are interested in Filter by state - Michigan
	On a slide 	<p>Compare schools</p> <ul style="list-style-type: none"> Setting Total Students Student-Faculty Ratio Graduation Rate Entrance Difficulty Anything else you are interested in <p>Instructions</p> <ul style="list-style-type: none"> Click on Compare schools tab In each column, click on "Add +" Skim down the alphabetical list to get to your school Click on its name The school's name will appear at the top of the column and its information will be below. Find the row with the required information

Google Search - Best Schools for Your Career

- If your career requires a college degree, use U.S. News and World Report.
- If not available for your career, find a reputable website, hopefully not a .com.
- Double check your website with me.

Poster?	Speech?	Ideas to include
